MOTOMA®

Power into the Future

POWER UP THE WORLD ...

SINCE 1994

SHENZHEN MOTOMA POWER CO.,LTD We Are A Company Specialized In Research And Manufacturing Since 1994. We Are Dedicated to Developing Sustainable Energy Solutions By Producing Lithium Polymer Batteries, Cylindrical Lithium Batteries, And Lithium Iron Phosphate (LiFePO₄) Batteries, As Well As Developing Inverters And Solar Panels.

With Over 30 Years Of Energy Market Experience, We Take Pride in Our Team Of More Than 400 Skilled Workers And 20 Expert In-House Engineers, Working Together in A Facility Over 20,000 Sqm to Provide Products to More Than 90 Countries Around The World, Making Us One Of The Leading Innovative Battery Manufacturers in China.

01

MOTOMA COMPANY PROFILE

MOTOMA®
Power into the Future

Since 2020 , MOTOMA Has Intensified Its Product Innovation and Research and Development in The Direction of Multi-Form, Multiapplication Environment and Convenient Structure of Lithium Batteries. Until Now MOTOMA Has More Than 30 Patents and Intellectual Property Rights, And MOTOMA Trademark Has Applied for Registration and Intellectual Property Protection In 60 Countries and Has Established Sales Channels in More Than 130 Countries.

We Have Gained a High Reputation Among Our Customers in Both the Domestic and Overseas Market for Our Superior and Reliable Quality Products, While Offering Reasonable and Competitive Prices with Perfect After-Sale Service

MOTOMA Power Company is Established in Shenzhen City by Mr. Abell Lu , across the Border from HONG KONG.

(Motoma CEO: Mr. Abell Lu)

“Moto” represents speed, while “ma” comes from “master”,

I hope “Motoma” brand can surpass and break though under the changing technical innovation environment

MOTOMA HISTORY

1994: MOTOMA Power Company Is Established in Shenzhen City by Mr. Abell Lu , Across the Border from HONG KONG.

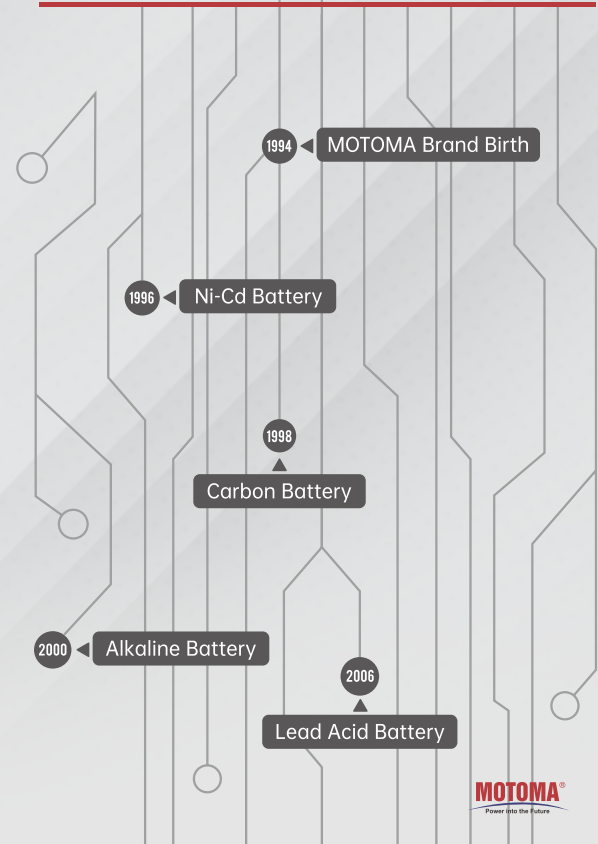

1996: MOTOMA NiCd Battery is Launched, Becoming our Earliest Representative Product.

1998: MOTOMA Carbon Battery is Launched, Used Widely in Various Electronic Products.

2000: MOTOMA Alkaline Battery is Launched, Quickly Attractive Worldwide Clients' Attention due to its Excellent Performance and Competitive Price.

- MOTOMA Lead Acid Battery is Launched, Quickly Occupy the Southeast Asian, African, and European Markets.

2006: MOTOMA Lead Acid Battery Is Launched, Quickly Occupy the Southeast Asian, African, And European Markets.

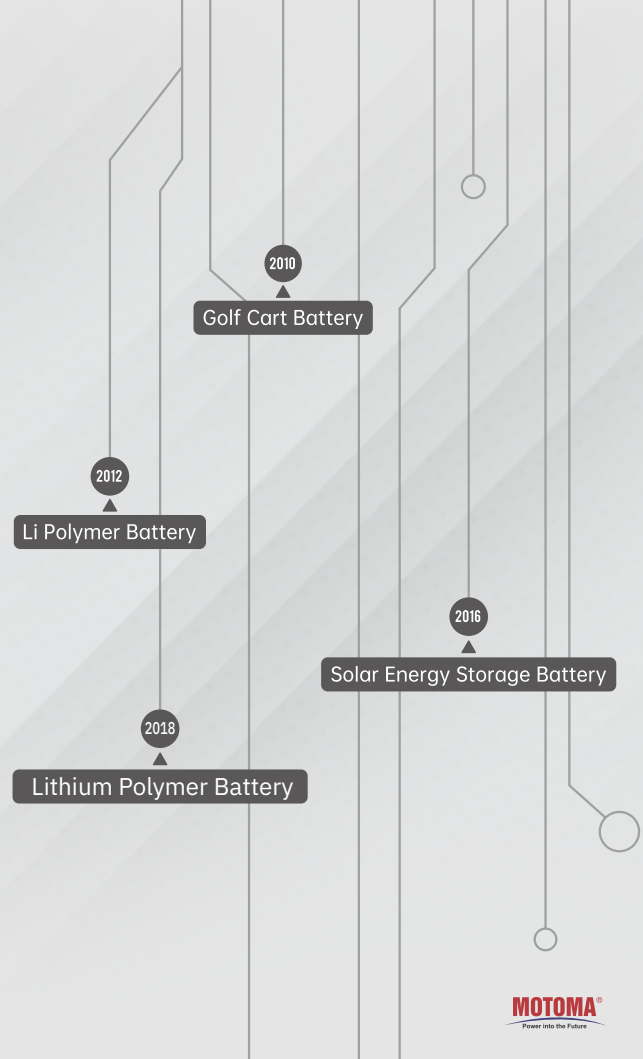

2010: MOTOMA Golf Cart Battery is Launched, and we become a Stable Battery Supplier of MISSION HILLS, The Biggest Golf Cart in Asian.

2012: MOTOMA Lithium Polymer Battery is Launched, with Unique Cathode Materials to Achieve Max Power, Long Cycle Life and Excellent Safety, and we begin to Provide Lithium Polymer Batteries to Some Leading Breast Pump Manufacturers.

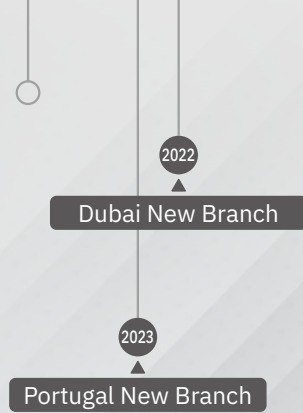

2016: MOTOMA Home Use Storage LiFePo4 Battery is Launched, Win Good Reputation due to Good Battery Performance and Reliable After-Sales Service.

2018: New Factory of Lithium Polymer Battery is Built and put into use, and the First Year's Production Capability Reaches 120,000Wh Per Day.

2022: The Headquarter is Moved from Shenzhen City to Dongguan City, And We Opened our New Branch (MOTOMA SOLAR ENERGY) in Dubai, UAE.

2023: We opened our new branch (MOTOMA SOLAR UNIPessoal) in Lisboa, Portugal.

THINK BIG & POWER MORE

MOTOMA Solar System Coming with Improved Battery and Energy Transmission DC/AC Technology Provides Increased Safety and Reliability Over Traditional Products.

Target Applications Include Not Only Smart Grid , Solar Wind , Geothermal and Alternative Energy Storage but Also Include Electric Vehicles, Hybrid Electric Vehicles, Power Tools, Military, Medical Care, Education, Telecommunications.

MOTOMA

PROVIDING INNOVATIVE POWER SOLUTIONS

BRAND-DRIVEN, STABLE HIGH QUALITY:

Quality Creates Brand, Service Enhances Value .. "MOTOMA" Brand has Existed for Nearly 30 Years, and we Also Insist on a High Brand Positioning . Our Old Generation Product Dry Batteries are Used by Worldwide Consumers till Today, Further, More and More Clients Choose us as their Stable Lithium Battery Supplier.

09

MOTOMA COMPANY PROFILE

Explore Our Solutions

MOTOMA
Power into the Future

PROFESSIONAL TEAM WITH RICH EXPERIENCE:

With +400 Skillful Workers and +20 In-House Professional R&D Engineers, We Have Supported Over 800 Clients For +1600 Battery Projects in The Past Years. Main Servicing Fields Is the Solar Storage Battery and The Customized Battery for Many of Products Like (Breast Pump, Wearable Medical, Printer, GPS, IOT, Mining, Robot, Handheld Terminals, Golf Cart, Electric Vehicles , Streetlight).

ALL SOLD LITHIUM BATTERIES HAVE INSURANCE:

Clients are Paying More and More Attention to Battery Safety as Lithium Batteries Are Classed as Dangerous Goods in Transportation.

We Consider More for Clients, each of our Sold Lithium Battery is Insured by PINGAN Insurance Company, Which Crosses Worldwide.

HIGH RESPONSIBILITY:

Acting With Honesty, Integrity, and Respect, we are Always Responsible for our Clients and our Brand. We Provide On-Site Technical Support.

Motoma Has Gained a High Reputation in the Battery & Solar Field and has Been Cooperating with Some Key Clients for Over 20 Years.

OUR VISION

Quality creates brand,
service enhances value.

OUR MISSION

MOTOMA,
power into the future!

Introducing the MOTOMA High Voltage Battery 614.4V, the epitome of safety and reliability in the world of energy storage. This cutting-edge lithium iron phosphate battery system is specifically designed to cater to the demanding needs of UPS, home storage, and industrial as well as commercial energy storage fields. Offering high performance, exceptional stability, and unparalleled efficiency, the MOTOMA High Voltage Battery ensures seamless operation across a wide range of applications. Whether you're looking to secure uninterrupted power supply, optimize home energy consumption, or enhance industrial energy capabilities, this 614.4V system delivers the solution you need with unmatched versatility and reliability.
